

Victoria Mansion's Annual Summer Fundraiser Brownstone Brews & Bites brought to you by Allagash Brewing

ABOUT THE EVENT

Held outdoors on Victoria Mansion's private lawn, this annual summer fundraiser highlighting the Mansion's 18-year partnership with Allagash Brewing has historically drawn a crowd of approximately 250-300 participants. It also brings significant and varied media exposure as well as being promoted through the Mansion's own private distribution list and social media platforms. Proceeds from ticket sales directly support Victoria Mansion's ongoing historic preservation and educational efforts.

FOOD & BEVERAGE SPONSORSHIP OPPORTUNITIES

Good drinks demand good food! To compliment the craft beer provided for this event by Allagash Brewing, Victoria Mansion seeks local caterers and non-beer beverage crafters to join us for this event. In recognition of your participation, Victoria Mansion offers a host of generous benefits to sponsors. Details on the next page.

Please note, as an historic property, we do have some limitations. If you are interested in becoming a food sponsor, please contact us so that we can talk through your specific needs and logistics, and ensure the highest quality service for both you and our guests.

Victoria Mansion is a registered 501(c)(3). The IRS precludes us from putting a value on in-kind sponsorships. As always, 100% of funds raised for the event will go to support projects and programs at Victoria Mansion.
