

# VICTORIA MANSION

## Community & Corporate Partnerships

*History. Exploration. Wonder.*

### **Why Support Victoria Mansion?**

Curiosity. The need to understand the present in light of the past. The desire to see beauty and understand the human drive for creativity. Museums fuel our innate need to learn and connect.

Keeping the arts alive in our communities helps foster connections while enhancing our quality of life. Victoria Mansion – simultaneously a museum of art, architecture, and the decorative arts, as well as a site rich in social, economic, and political history – offers no shortage of pathways to connect to the issues of the day.

Through the years, Victoria Mansion has relied on the enthusiasm and generosity of our community. Each year our sponsors allow more people than ever before to visit, enjoy, and learn about the Mansion's unique place in American history. This support makes it possible for us to carry out state-of-the-art conservation projects on our National Historic Landmark property and to offer engaging year-round educational programs for visitors near and far.

# VICTORIA MANSION

## Community & Corporate Partnerships

We value the many partners - from local educators, students, businesses, foundations and communities, to visitors and scholars from around the country and world - who support our mission to preserve, maintain, and restore this one-of-a-kind landmark and share it with others. Corporate sponsorship can take many forms, and we can work with you to find a project that aligns with your community giving goals. Your support can help us sustain initiatives like the following:

### Education Sponsorships

- *A Century of Change*: Victoria Mansion's school curriculum offered at no cost to Cumberland County classrooms.
- Research initiatives such as *Backstairs Lives* and the *Unwilling Architects*, helping us tell the full human history of domestic servants and enslaved individuals connected to the Mansion.
- Collaborations with fellow museums and art institutions to connect with educators and the broader community.

### Historic Preservation Sponsorships

- Exterior restoration initiatives such as the Reception Room Bay and front façade balustrades.
- Interior conservation of the original 1860s decoratively painted finishes.
- Preservation Trades Workshops, giving the next generation of trades professionals the skills needed to work on historic buildings.

### Event & Season Sponsorships

- Museums for All: Victoria Mansion participates in a nationwide initiative to provide reduced admission to SNAP recipients.
- Events like *Brownstone Brews & Bites*, our annual Holiday Gala, or our fall Victorian Fair, all fundraisers to support our programming.
- Free admission days, such as Juneteenth and First Friday.

**How can we work together for our community? Let's get in touch!**
